

**Stonehill Community
Architectural Committee Meeting
September 14, 2008**

Attending: Paul Brimeyer, Al Giegerich, Bob McCune, Neil McCullough,
Ed Meyer, Karen Neyens, David Rollins, Darlene Conzett all by email or phone

Again this month, the Architectural Committee business was conducted by email or phone. All members responding recommended approval of all requests.

Requests

Unit 830

Replace deck. (I have talked with the homeowner and I am confident it will be the same application as is in place today.)

The committee recommends approval.

Unit 861

Install two bedroom windows and replace new living room windows. (The homeowner has presented a sample of the exterior frame color and it is an approved color. He is not changing the style or size of the windows.)

The committee recommends approval.

Unit 888

Install Wausau Model S61MBA entry door, Almond color exterior and factory stained interior to match interior woodwork. Installation to include new lockset with dead bolt. This model door has been previously approved for installation on other units.

The committee recommends approval.

Unit 895 - Enlarge small round existing garden off the patio by 18 inches. Replace the rock border with approved red brick border (nearby plantings also have red brick borders). Add River Rock to the planting, hostas, small bush or two and a couple perennial plants. Also improve the front garden with the addition of River Rock. The existing rose bush and lilies will stay. The homeowner will maintain all plantings.

The committee recommends approval.

Next Meeting: TBA depending upon the date of the next Board meeting. The date, when set, will be sent to Committee and Board members by email.
